TOPICAL INDEX - VOLUME II

DOCUMENTS SECTION

	<u>No.</u>	<u>Page</u>
ADMINISTRATION		
Local Responsibility in Public Health		
Administration	8	57
ATTORNEY GENERAL'S OPINIONS		
Free Certified Records for Inductees	2	11
Marriage Records Acceptable in Legitimization	17	134
Venereal Disease Quarantine Upheld	4	26
BENZOL		
Benzol Exposure Proves Hazardous	4	27
BIOLOGICS		
Gland Products	14	111
BLOOD BANK		
Blood Bank Program Outlines	17	136
Study of Blood Banks	14	111
Survey Made of Blood Banks	15	116
BOTULISM		
Case of Botulism Occurs	17	134
Fatal Case of Botulism Occurs	8	59
BRUCELLOSIS		
Brucella Study Undertaken	18	140
Brucellosis in California	1	1
CALIFORNIA		
California Epidemiology in 1858	20	158
Early Public Health in California	10	73
Early Public Health in California	11	23

	<u>No.</u>	<u>Page</u>
CALIFORNIA (Continued)		
Early Public Health in California	12	95

" " " " "	23	177
CALIFORNIA STATE BOARD OF PUBLIC HEALTH		
First Meeting of the California State Board of Health	18	141
Logan, Thomas M., M.D., Organizer of California State Board of Health	17	129
Names of Members and Governors under Whose Administration They Served 1870-1945	19	149
Presidents 1870-1945	19	152
Secretaries and Executive Officers 1870-1945	19	152
Seventy-Fifth Birthday Approaches	13	103
CARBON MONOXIDE		
Carbon Monoxide in Cold Storage Plant	18	143
Carbon Monoxide Poisoning Reported	17	136
Carbon Monoxide Poisoning in Bakeries	15	118
CHICKEN POX		
Chicken Pox, Mumps and Measles More Prevalent	18	143
CHOLERA		
Cholera on the Sacramento River in 1850	19	146
COMMUNICABLE DISEASE		
See Specific Disease such as Brucellosis, Measles, etc.		
CONFERENCES		
Maternal and Child Health Staff Conference	14	110
Placer County Agricultural Economic Conference	21	163
Tuberculosis Control Officers' Conference	6	41
Wartime Health Conference Announced	5	39
COURT DECISION		
Court Upholds Health Officer	13	99
CRIPPLED CHILDREN		
Clinics for Crippled Children	6	48
Crippled Children	12	96
Crippled Children Attend Clinics	2	12
Many Crippled Children's Clinics Held in February	17	135
DENTAL HEALTH		
Dentistry for Rural Children	6	48
DERMATITIS		
Dermatitis From Carrots	24	192

	<u>No.</u>	<u>Page</u>
DIARRHEA		
Epidemic Diarrhea of the Newborn	9	71
DIPHTHERIA		
Diphtheria in California	3	19
Diphtheria More Prevalent	14	112
ENCEPHALITIS		
Mosquitoes and Encephalitis	22	169
Safeguarding Against Japanese Encephalitis	15	120
EPIDEMIOLOGY		
Acute Anterior Poliomyelitis With Reference to the Mode of Transmission, Epidemiology of	2	13
Brucellosis in California	1	1
California Epidemiology in 1858	20	158
Diphtheria in California	3	17
Indians Contract Typhoid	8	59
Search for Typhoid Carrier Unsuccessful	3	23
State Free of Epidemic Disease	21	164
Tuberculosis in California, Epidemiology of	1	4
Tuberculosis in California, 1944, Epidemiology of	22	171
Typhus Fever Survey	15	119
Venereal Disease Sources Reported	23	184
EXAMINATIONS		
Examinations for Laboratory Workers Are Held	18	144
Examination for Public Health Nursing Certificate	13	103
Smoke Abatement Engineer Wanted	7	56
FARM LIFE		
Better Farm Home and Family Living	21	163
FEDERAL HOUSING ADMINISTRATION		
Federal Housing Administration Issues Rural Water Supply Standards	14	109
FELLOWSHIPS		
Fellowships in Health Education 1945	21	162
Health Education Scholarships Offered by State Department	24	191
National Institute of Health Research Fellowships	23	179
FILMS		
Available Motion Pictures and Slides on Public Health	4	30
Available Motion Pictures and Slides on Public Health	23	179
FOOD AND DRUG INSPECTIONS		
Activities in Food and Drug Control	9	65
Apple Pomace Found Inferior	9	71
Army Pork Rejected	17	135
Brandies Refiltered	8	64
Carbonated Beverages Must Conform to Legal Provisions	14	110
Damaged Food Stuff Investigated	17	136

	<u>No.</u>	<u>Page</u>
FOOD AND DRUG INSPECTIONS (Continued)		
Disposal of Dried Fruit Offers Problems	14	109
Dried Apple Pomace Held	6	48
Dried Apples Reclaimed	10	79
Dried Apricots and Peaches Under Suspicion	3	24
Dried Fruits and Nuts	18	144
Faulty Liquors Raise Health Problems	3	24
Garbanza Beans are Quarantined	6	47
Laboratory Examinations of Mussels and Clams	13	104
Manufacture of Vitapep Dog Food Discontinued	10	76
Migration Brings "Mumbo-Jumbo" to California	5	38
Mussel Quarantine Extended	8	57
Scrap Candy	10	79
Sugar is salvaged	6	48
Turkeys Examined by Laboratory	6	48
FOOD HANDLERS		
Classes Conducted for Food Handlers	16	128
Hints for Food Handlers and Proprietors	8	62
Training Classes for Food Handlers	21	168

Fellowships in Health Education	21	162
Health Education in 1873	21	166
Health Education Program Advances	6	43
Health Education Project Advances	15	117
Health Education Scholarships Offered by the State Department	24	191
School Health Education Advances	21	168
School Health Educator Appointed	8	61
HEALTH OFFICERS		
California Health Officers August 1944	3	20
California Local Health Officers June 30, 1945	24	189
Death Comes to Dr. Kraut	21	167
Health Officers Newly Appointed	8	63
Health Officers Newly Appointed	13	103
New Health Officer for Mono County	9	69
HEARING		
Advisory Committee on Better Hearing is Appointed	17	135
Hearing Conservation	21	167
Summer Course in Hearing Conservation	17	135
HEART DISEASE		
Children with Heart Disease Studied	5	40

	<u>No.</u>	<u>Page</u>
HOSPITALS		
Maternity Home and Hospital Manual Issued	18	144
Maternity Hospital Inspections	21	168
ILLEGITIMACY		
One of Every Twelve Children in U. S. is Illegitimate	7	55
INDUSTRIAL HYGIENE		
Benzol Exposure Proves Hazardous	4	27
Blind Reliance on Respirators Produces Hazard	6	47
Carbon Monoxide in Cold Storage Plant	18	143
Carbon Monoxide Poisoning in Bakeries	15	118
Dehydrating Plants Cleaned Up	2	12
Dermatitis from Carrots	24	192
Hazard in Lead Exposure	21	168
Methyl Bromide Health Hazard	15	118
Oxides of Nitrogen From Pickling Tanks	14	108
"Pro-Coating" of Tin Cans	10	79
Silica Dust Exposure in Mines	8	64
Sulphur Dioxide in Dried Fruit Processing	11	82
INSTITUTES		
Institute on Maternity Nursing	21	165
Institute on Rheumatic Fever	9	69
Sanitariums Announce Seventh Institute	9	70
School Health	14	110
Tuberculosis Nursing Institute Conducted	21	168
JAUNDICE		
Extensive Outbreak of Epidemic Jaundice Reported	8	59
Infectious Jaundice in Foothills	14	110
JONES, GUY P.		
Guy P. Jones Retires	22	176
LABORATORIES		
Brucella Study Undertaken	18	140
Guide for the Collection and Mailing of Specimens to the Virus Diagnostic Unit, State Division of Laboratories, A	4	28
How to Report Serological Tests	21	164
Laboratory Examination of Mussels and Clams	13	104
Laboratory Serological Work Increases	15	120
LEGISLATION		
Federal Assistance in Tuberculosis Eradication	13	104
National Health Legislation Proposed in 1871	17	137
Pending Public Health Legislation	16	121
Summary and Recommendations on Mosquito Control	15	114
Vital Statistics Legislation Pending	14	108
LEPROSY		
Leprosy Investigated	3	23

	<u>No.</u>	<u>Page</u>
LIGHTING		
Proper Illumination Becomes More Important	15	118
LOCAL HEALTH		
Biologics Distributed to Local Health Departments	10	78
Court Upholds Health Officer	12	99
Death Comes to Dr. Kraut	21	167
Health Officers Newly Appointed	8	63
Health Officers Newly Appointed	13	103
Local Health Departments Receive Biologics	3	24
Local Health Districts	13	104
Local Responsibility in Public Health Administration	8	57
Los Angeles Health in 1944	21	161
Napa County Considers Full Time Health Organization	16	128
New Health Officer for Mono County	9	69
New Sanitation District Formed	15	119
Newman Under Stanislaus County Unit	8	64
Palo Alto Issues Annual Report	5	38
Prevention Preferred	10	80
LOGAN, THOMAS W., M.D.		
Organizer of State Board of Public Health	17	129
Letters From Logan	20	155
MALARIA		
Malaria A World-Wide Disease	15	117
Malaria Control in War Areas Program	15	116
Malaria Kept Under Control	13	99
MANUMISSION		
Old Manumission Transcript in Sierra County	10	78
MATERNAL AND CHILD HEALTH		
Emergency Infant and Maternity Care.	2	16
Emergency Maternity and Infant Care Program	6	48
" " " " " "	21	168
Fewer Maternal Deaths Registered	16	128
Maternal and Child Health Staff Conference	14	110
Maternal Death Rate Drops	20	160
Maternity Home and Hospital Manual Issued	18	144
Maternity Hospital Inspections	21	168
More Infant Deaths Registered	16	128
MEASLES		
Chicken Pox, Mumps and Measles More Prevalent	16	143
MENTAL HEALTH		
Mental Illness - Crime or Disease?	15	113
Psychiatry Speaks on KCRA	24	191
MORBIDITY REPORTS		
June 1944	2	16
July 1944	3	24
August 1944	5	40

	<u>No.</u>	<u>Page</u>
MORBIDITY REPORTS (Continued)		
September 1944	7	56
October 1944	9	72
November 1944	11	88
December 1944	13	104
January 1945	15	120
February 1945	17	136
March 1945	19	152
April 1945	22	176
May 1945	23	184
Selected Diseases	20	160
Selected Diseases	24	192
MOSQUITO CONTROL		
Activities of Mosquito Abatement Agencies in California . .	15	115
Increased Interest in Mosquito Control	15	116
Mosquito and Encephalitis	22	169
Mosquito Control	14	112
Summary and Recommendations on Mosquito Control	15	114
MUMPS		
Chicken Pox, Mumps and Measles More Prevalent	18	143
NUISANCES		
Hydrogen Sulphide Nuisance	14	112
NURSING		
Army Needs Nurses	9	70
Examination for Public Health Nursing Certificate	13	103
Institutes on Maternity Nursing	21	165
Nursing Consultant Appointed	8	64
Nursing Graduates Secure Employment Immediately	15	119
Public Health Nursing in California	23	183
Recommended Minimum Wartime Public Health Nursing Service	2	9
Simpson, Lillian, P.H.N., Retires	2	16
Student Nurse Recruitment	13	103
Tuberculosis Nursing Institutes Conducted	21	168
U. C. Offers Courses for Nurses	16	124
University Trained Nurses are Employed	10	80
NUTRITION		
School Lunch Manual Issued	17	133
PENICILLIN		
Penicillin Treatment of Syphilis Extended	14	111
Use of Penicillin Extended	15	119
PLAGUE		
Bubonic Plague Demonstrated	10	86
Plague and Tularemia Demonstrated in Five Counties of California	8	62

POLIO-MYELITIS

Epidemiology of Acute Anterior Poliomyelitis With Reference to the Mode of Transmission	2	13
Present Status of Poliomyelitis Management, The	8	58

QUARANTINE

Beach Quarantine Continued	21	163
Dried Apples Reclaimed	10	79
Mussel Quarantine Extended	8	57
Mussel Quarantine Order Extended	21	165
Scrap Candy	10	79

RABIES

Canine Rabies Vaccination	11	81
Child Bitten by Rabid Rate	3	23
Child Dies of Rabies, A	8	59
Rabid Goat With Long Incubation Period	21	164
Rabies	14	105
Rabies in California	6	43

RADIO

Popular Health Broadcast on KPBE	4	27
Psychiatry Speaks on KCRA	24	191
Unseen Enemy on Six Stations	24	192

RAFFETY, JOHN O., M.D.

Dr. Raffety Leaves Department	8	64
---	---	----

RELAPSING

Present Status of Relapsing Fever in California	12	89
---	----	----

RESTAURANTS

Restaurants are Cleaner	14	109
Sanitation of Eating Establishments	10	79

RHEUMATIC FEVER

Children With Heart Disease Studied	5	40
Institute on Rheumatic Fever	9	69
More Rheumatic Fever Reported	12	98

RODENTS

Rats Surveyed for Typhus	15	119
------------------------------------	----	-----

RODENT CONTROL

Rat Situation in the San Francisco Bay Region	2	11
Rodent Control.	14	111
Rodent Surveys Undertaken in Seaports	15	118

SANITATION

Dehydrating Plants Cleaned Up	2	12
Federal Housing Administration Issues Rural Water Supply Standards	14	109
Honey Extracting Plants Inspected	14	109
Hydrogen Sulphide Nuisance	14	112

	<u>No.</u>	<u>Page</u>
SANITATION (Continued)		
New Sanitation District Formed	15	119
Postwar Sewage Disposal Projects	13	103
Problems in the Disposal of Industrial Wastes are Numerous	16	128
Public Demands Proper Sewage Disposal	6	47
Rat Situation in the San Francisco Bay Area	2	11
Regional Sewage Disposal Advancing	14	109
Restaurants	14	109
Rodent Control	14	111
Sanitarians Announce Seventh Institute	9	70
Sanitation of Eating Establishments	10	79
Sewage Disposal Projects at Peak	16	128
Stream Pollution by Cannery Wastes	8	61
SCHOOL HEALTH		
Emergency Attendance Requests Based on Epidemics in School	6	47
Health Education Project Advances	15	117
School Health	14	110
School Health Education Advances	21	168
School Health Educator Appointed	6	61
School Lunch Manual Issued	17	133
SEX EDUCATION		
Home Study Course	24	192
SILICA DUST		
Silica Dust Exposure in Mines	8	64
SMALLPOX		
On Guard Against Smallpox	3	23
TUBERCULOSIS		
Bovine Tuberculosis Control Continued	2	15
Epidemiology of Tuberculosis in California	1	4
Epidemiology of Tuberculosis in California 1944	22	171
Escape - Proof Tuberculosis Treatment Unit Built	8	64
Federal Assistance in Tuberculosis Eradication	13	104
San Quentin Surveyed for Tuberculosis	14	112
Tuberculosis Case Rate Rises	18	144

Tuberculosis in Nursing Institutes Conducted	21	168
Tuberculosis Surveys in Other State Institutions	14	112
Tuberculosis Survey of State Institutions	8	63
TULAREMIA		
Plague and Tularemia Demonstrated in Five Counties of California	8	62
Tularemia From Wild Rabbits	15	120

	<u>No.</u>	<u>Page</u>
TYPHOID FEVER		
Indians Contract Typhoid	8	59
Search for Typhoid Carrier Unsuccessful	3	23
Typhoid Fever in California 1944	16	127
TYPHUS FEVER		
Rats Surveyed for Typhus	15	119
Typhus Fever More Prevalent	8	63
Typhus Fever Survey	15	119
Typhus Fever Survey Continues	17	135
VENEREAL DISEASE		
Blindness of the Newborn	14	109
Combating Venereal Diseases	12	97
Court Upholds Health Officer	13	99
Fighting Blindness in Babies	3	23
Hospitalization of Venereal Disease Cases	14	110
How to Report Serological Tests	21	164
Large Volume of Serological Tests	9	71
More Cases of Gonorrhea Reported	15	120
More Early Syphilis Cases Discovered	15	119
New Syphilis Treatment Recommended by Department	24	191
Penicillin Treatment of Syphilis is Extended	14	111
Positive Prenatal and Premarital Blood Tests Show Increase	10	60
Potentially Infectious Syphilis Cases Decrease	9	71
Premarital and Prenatal Tests Reach High Total	3	23
Reported Cases of Gonorrhea and Syphilis in California 1940 through 1944	24	185
Treatment of Venereal Diseases Revolutionized	9	70
Use of Penicillin Extended	15	119
Venereal Disease Contacts Difficult to Locate	14	111
Venereal Disease Quarantine Upheld	4	26
Venereal Disease Sources and Contacts Reported	9	70
Venereal Disease Sources Reported	23	184
VITAL STATISTICS		
California Birth Registration 98% Complete	4	25
Fewer Maternal Deaths Registered	16	128
January Marriages Soar	17	134
Marriages Increase in 1944	16	127
Maternal Death Rate Drops	20	160
More Births in 1944	22	170
More Births Registered	16	128
More Infant Deaths Registered	16	128
More Marriage Registered	5	40
One of Every Twelve Children in U.S. is Illegitimate	7	55
Pioneer Marriage Record, A	10	79
Vital Statistics Legislation Pending	14	106
WATER SUPPLY		
Federal Housing Administration Issues Rural Water Supply Standards	14	109

No. Page

X-RAY

X-Ray Exposure	21	167
X-Ray Exposure in Tube Manufacture	11	82
